It's Spooky To Be Hungry is a local community phenomenon! This **all-volunteer**, grassroots, award-winning neighborhood-based food drive is dedicated to strengthening our community while fighting hunger.

Last year over 2600 volunteers, more than half of them children, participated in over 300 sites. These collections -- in neighborhoods, schools, businesses, and faith communities, from across a nine county area of the CSRA -- generated 248,630 meals. In 2005, Spooky donated over 98,000 pounds of food and more than \$56,000 to Golden Harvest Food Bank. And this year's news is even better!

**THIS YEAR OUR TOTALS WILL SHATTER ALL OUR
PREVIOUS RECORDS.**

**COME HELP US CELEBRATE THIS AMAZING
OUTPOURING OF SUPPORT FROM OUR COMMUNITY!**
